- We believe in the transformative power of worship in the life of the believer. We were made to worship God, and when we gather together in His presence and lift up our voices to Him in praise, it's then that we experience all that we were created to be.
- 1. Introduction to worship [Genesis 22:1-17](#)
- Genuine worship starts with extreme faith.
- 2. Instruction for worship – [1 Samuel 15:1-23](#)

- 3. Institution of worship
