- 1. The most important thing to understand EVERYTHING BELONGS TO GOD.
- 2. We are managers not owners.
- 3. What talents have I been given and how am I glorifying God and his kingdom
- 4. Gods children and kingdom are more important than possessions
- 5. It's better to give than to receive.
- 6. We will all be held accountable for how we manage God's resources.
- Gifts/Talents are not about the people who use them, but ultimately about God and HIS PURPOSE.
- Generosity is the quality of being kind, understanding and compassionate and willing to use our resources to be a blessing.
- God is always generous, and we are called to be a reflection of who HE is.
- God's sovereignty isn't an excuse to neglect being generous.
- A life of generosity is not about the amount we give. It's about recognizing what God has entrusted to us and using it for His good, and in this we grow, and God is glorified.
