- Our knowledge & experiences with God does not make us exempt from being attacked & deceived by the enemy.

*1 Corinthians 10:1-5* For I do not want you to be ignorant of the fact, brothers and sisters, that our ancestors were all under the cloud and that they all passed through the sea. **2** They were all baptized into Moses in the cloud and in the sea. **3** They all ate the same spiritual food **4** and drank the same spiritual drink; for they drank from the spiritual rock that accompanied them, and that rock was Christ. **5** Nevertheless, God was not pleased with most of them; their bodies were scattered in the wilderness.

- Being a child of God doesn't guarantee His favor & blessing on our life.

*1 Corinthians 10:6-10* Now these things occurred as examples to keep us from setting our hearts on evil things as they did. **7** Do not be idolaters, as some of them were; as it is written: "The people sat down to eat and drink and got up to indulge in revelry."<sup>[a]</sup> **8** We should not commit sexual immorality, as some of them did—and in one day twenty-three thousand of them died. **9** We should not test Christ,<sup>[b]</sup> as some of them did—and were killed by snakes. **10** And do not grumble, as some of them did—and were killed by the destroying angel.

- It's better to learn from the foolishness of others than from our own foolishness.

*1 Corinthians 10:11-13* These things happened to them as examples and were written down as warnings for us, on whom the culmination of the ages has come. **12** So, if you think you are standing firm, be careful that you don't fall! **13** No temptation<sup>[c]</sup> has overtaken you except what is common to mankind. And God is faithful; he will not let you be tempted<sup>[d]</sup> beyond what you can bear. But when you are tempted,<sup>[e]</sup> he will also provide a way out so that you can endure it.

- Temptations will come, but God will always provide a way out.
- One of the greatest displays of loyalty to God is the rejection of the enemy's temptation.
